Dadgum That's Good, Too!

Synopsis

With equal parts of Southern charm and tenacity, John McLemore has traveled the world over to show folks how to share the experience of making dadgum good food together at home. His best-selling cookbook, *Dadgum, That's Good!™*, is still the resource for kickbutt recipes for smoking, grilling, frying, steaming and boiling. In *Dadgum, That's Good, Too!™*, John brings even more mouthwatering food to the table, and introduces us to the heartbeat of his home his family and friends. Detailed smoking and grilling charts, signature brine and seasoning recipes, more tips, more stories, and even more dadgum good food make *Dadgum, That's Good, Too!™* a must-have resource. You'll love meeting the folks who have influenced John's cooking and his life. With over 125 new recipes for smoking, grilling and frying, there's something for everyone.

Customer Reviews

If you own Master Built product(s) this book will help you. It tells you the temperature and time settings needed to get the desired results. There are recipes and neat tips throughout. Bottom line is it will cut your learning curve down. I bought the first book; "Dadgum that's good

A indispensable companion for our Masterbuilt Smoker and Fryer. As a amateur cook I find the informational sections on smoking times, common woods, rubs, etc. very informative. The recipes are direct, detailed, easy to follow and have always produce excellent results. Our favorite is Darryl's Boston Butt. Would suggest more recipes for wild game like quail.

Great Cookbook! I got this book for my brother-in-law and will be giving it to him for Christmas as a gift. I already have one at my house and we smoked some wonderful tender juicy ribs for my dad's 70th birthday party with lots of people. He seen this cookbook and loved the recipes we used to cook for the party and wanted this cookbook so as soon as him and my sister left I went on and found him his cookbook and I know he's going to be so happy when he opens his gift. He loves to smoke and grill so this book will be perfect for him. I know me and my family love it very much ourselves. I definitely recommend getting this cookbook, I know you will love the wonderful recipes it has.

I don't usually write any reviews but this cookbook is great. We smoked our first chicken and cabbage. My husband and I ate half of the head of cabbage before we started on the chicken. I've never had smoked cabbage before but from now on this is the only way I will have it, yummy. The chicken was moist and has the best taste and both of these recipes are effortless. My next recipe is going to be smoked mac and cheese. You will not regret this purchase.

This book has some awesome recipes in it that I use regularly.

Great cookbook

More pages should be devoted to recipes, 20% of this book consists of pictures of family, friends and celebrities. I purchased this book for recipes, not a family history.

Good recipes, too much bio.
