Jack Kuhatschek was formerly executive vice president and publisher for Baker Publishing Group in Grand Rapids, Michigan. He is the author of many Bible study guides and the books *Applying the Bible* and *The Superman Syndrome*. He and his wife, Sandy, currently live in Deland, Florida.

I am using this booklet to teach a class at my church. The study guide offers a jumping off point for discussion.

This book may not look like much, but the probing questions really got our small group sharing and discussing. We got hours of meaningful conversation out of this book. Only negative that I can think of is that there are not suggested answers to all questions, but this wasn't usually a problem.

Good book, used it in my spiritual warfare bible study series that I taught. highly recommend.

Good Book.

Good small group study.

This book, Spiritual Warfare, came as described and on time. I purchased this book as a workbook to use in our Bible Study.
