Deck Ideas You Can Use - Updated Edition: Stunning Designs & Fantastic Features For Your Dream Deck

Synopsis

This photo-rich book is the tool every DIYer and homeowner needs to plan and design a beautiful custom deck. If you're looking to build a new deck or remodel the one you have, you want to start by spreading some innovative deck designs in front of you. Look no further than *Deck Ideas You Can Use*. The updated and expanded edition of this book is the deck design tool you've been searching for--packed with useful information and full-color photos to help you determine the deck of your dreams. From choosing deck building materials to settling on railings to adding a splash of color with flower-packed planters to complementing the architecture of your house, this book covers every aspect of the design process to help you create a custom deck that's perfect for your home and yard. Ask yourself if you want traditional or curved stairs. Do you want to give the deck surface some character by adding an inlay? You might include built-in benches. What's the overall purpose of the deck? Will you be outside grilling or simply relaxing with a book? You'll answer all of these questions as you page through *Deck Ideas You Can Use*. Written and researched by noted DIY author and designer Chris Peterson, this updated and expanded edition of *Deck Ideas You Can Use* features 32 new pages, more than 100 all-new photos, plus all-new text on popular deck design topics such as new, state-of-the-art building materials, LED and solar lighting, accessorizing and decorating, and accessibility. This editorially driven new book is truly packed with design and building information you can, and will, use.

Customer Reviews

Chris Peterson is the author of numerous books on home improvement and gardening, including Deck Ideas You Can Use,Â Black & Decker Complete Guide to Garages, and Square Foot Gardening: Growing Perfect Vegetables, allÂ published by Cool Springs Press.

I got a lot of great ideas from the pictures in this book. I would recommend it for design and product ideas. It is not a book for building decks, but for designing them.

GREAT IDEAS FOR DECK BUILDING

Go browse Houzz and save yourself the money from buying the book. There's nothing useful in here, just photos.

Many, many pictures of nice decks along with adequate design guidelines for all types of decks. This is just what I was looking for as I plan a new deck, which is a challenge for me to visualize without some help. Thank you.

Ideas but not the details
