Move!

Synopsis

***A 2016 National Parenting Product Awards (NAPPA) winner Don't read this book • play it! Introducing an ingenious way to help kids get the 60 minutes of active play they need each day. Move! is a book that combines imaginative play with movement. Hold it up to your face like a big pair of jaws and ROAR and STOMP like a dinosaur. Hold it by the die-cut handles to swing in a hip-to-hip motion while ROWING like a canoe. Or hold on tight and SPIN like a flying saucer. This inventive format will excite the imaginations of kids and parents alike. Lively rhyming text and colorful, spirited illustrations prompt young readers to perform physical activities utilizing the book's die-cut holes and handles. Move! is a book that will foster a love for reading and a love for physical activity • a book designed to keep kids healthy, happy, and having fun. Â

This is such a great book. Very interactive to get kids up and exploring and using their imagination. We discovered it at a bookstore and read it there, found the price here on was way better, so I bought it here. My kids love this book!

I bought this book to read to my grandson's kindergarten class. They absolutely loved it! So many fun things to do. Not a relaxing bedtime story!

This is a wonderful book for children and parents! What a unique concept. We need more media like this to get people active. Duos to the authors.

this book is a must!! grand daughter is 2 1/2 and loves loves it. has such a great time with it

Darling, fun book. So clever! Kids love it!

Fantastic idea to get young ones thinking creatively!

We love lolly and Yoyo

There's not a book out like this to get kids moving. Love it.
