Customer Reviews

Love it. I bought three. Two black and one white. The white one I bought a decal and a carrying case. Bring it with us to the shore for music from Pandora.

I have the Echo at another house. The Dot is every bit as good.

What a great product. Hasn't changed my life - but it has been a real convenience to have voice access to so much data.

will use

The book is very good for the beginner and works with the echo too.

This is an amazing device! We use it every day in our home. We are still learning all of its uses and talents and thoroughly enjoy it.

So far, very informative...

Good resource guide
