Just moved to the state and got this for my kids (and me, too) to learn about our new home. They've enjoyed the book and we've all learned some interesting info.

We used this book to prepare the kids for our trip to PA. Good book.

My niece needed a book for a report and this was perfect. The pictures were clear and age appropriate. If one of my kids need a book on Pennsylvania I will definitely buy them this one.

Very interesting fun facts. Using for the home school requirements for PA history in fourth grade with other supplies.
