Vintage & Vogue Ladies Compacts Identification & Value Guide, Second Edition

Synopsis

This book provides a comprehensive history, complete descriptions, and current value guide for objects that are romantic reflections of the past and present: ladies' compacts, vintage and vogue. The diversity of materials, styles, shapes, decorative techniques, and workmanship is described and shown for more than 2,000 specimens in over 1,000 full color photographs. Included are gadgetry compacts, cosmetic cases in combination with watches, compasses, music boxes, hatpins, canes, cameras, bracelets, pendants, and more. In addition, there are commemorative, premium, and souvenir compacts, important patent applications, original compact advertisements, dating by patent number, and a comprehensive list of American and foreign manufacturers. Included too are a glossary, bibliography, and an index. Vintage Ladies' Compacts 2nd Edition is an excellently researched picture reference guide for collectors, dealers, museums, jewelers, libraries, and students of costume. 2001 values. AUTHOR BIO: Roselyn Gerson, known as "The Compact Lady" is the founder of the Compact Collectors Club and editor and publisher of the newsletter, Powder Puff. She is the author of the first book written on ladies' compacts, Ladies' Compacts of the Nineteenth and Twentieth Centuries, and Vintage Vanity Bags & Purses, Vintage Ladies' Compacts, Vintage & Contemporary Purse Accessories, Vintage & Vogue Ladies' Compacts, Second Edition, and The Estée Lauder Solid Perfume Compact Collection, 1967 to 2001. REVIEW: This book showcases many more beautiful examples of ladies' compacts not shown in the author's previous edition. Updated values have been included, as well as new information not available at the time of the first edition's printing.

Customer Reviews

This book is simply beautiful. It is full of every kind of example of vintage compacts made, the photography of the compacts is stunning and many are in color. Plus it includes useful information for compact collectors on the history of compacts, helpful hints in collecting , vintage advertisements of compacts and how to identify and determine exact date compacts were made through patten numbers which Gerson includes at the end of the book. I got my copy of this book from Gerson herself through the Compacts collector club which she is the president of, autographed for me by her and although this particular edition of her book is out of print I would highly recommend her new one vintage and vogue ladys compacts as well. For all those fellow compact collectors these books are a must.

I have a crazy thing for these vintage compacts so I was pleased to discover a book devoted to them - in all their wonderful variations. Very happy!

great for research

As described

It's a beautiful book full of beautiful things.

Great info source.

Excellent

This is my compact Bible! I have learned so much from it, just wonderful! I refer to it every day, and wish there were more like it.
