Ron Rhodes (ThD), president of Reasoning from the Scriptures Ministries, is heard regularly on nationwide radio and is the author of The End Times in Chronological Order, The 8 Great Debates of Bible Prophecy, and 40 Days Through Revelation. He periodically teaches at Dallas Theological Seminary and several other seminaries.

Like a small (4x6") updated "Torrey's Topical Textbook" or "Nave's Topical Bible". I like Rhodes, but look at the size of this mini-paperback topical concordance. His "Topical Handbook of Bible Prophecy" is a normal sized (5.25x8") paperback concordance with 3 times more content. "Nelson's

Three-In-One Bible Reference Companion" has 100 times more content in a similar format. For example, page 136 has only 2 Isaiah verses for "New Heavens and New Earth" and no entry for "New Jerusalem". Rhodes' "Bite-Size" "little books" are not a good value and seem to be repackaging his older material.

EXCELLENT REFERENCE, RON IA A EASY READ WRITER...

Gave this to a new Christian, and it was very very helpful!

The book, Find it Fast in the Bible is a great little purse sized Bible guide. I was able to find subjects that I was looking for very quickly. It's a very helpful book.

I have had a copy of "Find It Fast In The Bible, Your Complete Topical Reference" for years. I would not give it up. This version, I bought for Dad. It is just as good as my version, but a little smaller. In retrospect, the only thing I would have changed, for his aging eyes, **WOULD HAVE BEEN LARGE PRINT!**

Great Resource.

This little book caught me off guard. I really thought I was ordering a normal size book. But I am finding that it is little but powerful.

I did not get this one. It wasn't from but one of their merchants and it was during all the snow problems back east and I never received it. They refunded my money as they sent the last one. And I found a place right here in Phoenix that had it at a special rate and I got it there. I had made a report before as I knew the book and knew it was good and was supposed to be on the way. That one says A Quick Topical reference, but the one I had before and got again was "Your Complete Topical Reference" and it's a very good book. As I said before I had it, and the son wanted one so I gave mine to him and ordered the Kindle version, but was not happy with how you had to search it, so I sent for another printed version and it's always right beside me on my desk!
