Hip Hop Dance: Meanings And Messages

Synopsis

Tracing the African American dance from the Diaspora to the dance floor, this book covers a social history germane not only to the African American experience, but also to the global experience of laborers who learn lessons from hip hop dance. Examining hip hop dance as text, as commentary, and as a function of identity construction within the confines of consumerism, the book draws on popular cultural images from films, commercials, and dance studios. A bibliography, discography, and filmography are included.

Book Information

Paperback: 211 pages

Publisher: McFarland & Company (March 23, 2007)

Language: English

ISBN-10: 0786429917

Customer Reviews

"presents some compelling arguments that need to be heard and discussed...clear...a must-read"--School Library Journal; "readers will be lead to see hip hop dance from a new perspective"--Dancer.

Carla writes on a variety of [topics](#).

A thought provoking book that gives the reader insight into African American culture and views. The book is far broader than it's title might imply and is not for the casual reader.
