Barron's SAT Subject Test: Physics, 2nd Edition

Synopsis

One diagnostic test and three complete SAT Subject Tests in Physics reflect the most recent actual tests in length, subject matter, and degree of difficulty. All questions are answered and explained. Self-assessment guides after each test can help improve the test-taker's score. An extensive subject review covers all topics on the SAT Subject Test, including mechanics, electricity and magnetism, waves and optics, thermodynamics, and more. Unique features include a "What's the Trick?" approach to solving problems quickly and effectively. Added tips, called out with "If You See It, Do It," are included within the chapters to give test takers critical insight into difficult concepts, and QR codes are provided at "Key Concept" areas link to short videos to enhance instruction. Each chapter is followed by several review questions with answers and explanations. The authors also provide general examination strategies and a detailed appendix with equations, physical constants, and a basic math review.

Book Information

Series: Barron's Sat Subject Test Physics

Paperback: 600 pages

Publisher: Barron's Educational Series; 2 edition (September 1, 2016)

Language: English

ISBN-10: 1438007892

ISBN-13: 978-1438007892

Product Dimensions: 8.3 x 1.1 x 10.8 inches

Shipping Weight: 1.9 pounds (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars 20 customer reviews

Overall, a useful review guide. Most beneficial for concepts that need reviewing. Explanations are inadequate for concepts that you have not been exposed to previously.

Great study book for my son, he did very well on the test

It helps a lot in studying

Good

Same as they had in Barnes and Noble, but less expensive by far. Sure hope it helps on the test :)

Great book, I bought it for my daughter, she is very satisfied. Everything for receiving the best mark

Relevant to my subject test are very well placed and up to my expectation helping me to prepare for entrance exams in Medical University .

Five star
