Diary Of A Wimpy Kid Rodrick Rules

Synopsis

Whatever you do, don't ask Greg Heffley how he spent his summer vacation, because he definitely doesn't want to talk about it. As Greg enters the new school year, he's eager to put the past three months behind him . . . and one event in particular. Unfortunately for Greg, his older brother, Rodrick, knows all about the incident Greg wants to keep under wraps. But secrets have a way of getting out . . . especially when a diary is involved. *Diary of a Wimpy Kid: Rodrick Rules* chronicles Greg's attempts to navigate the hazards of middle school, impress the girls, steer clear of the school talent show, and most important, keep his secret safe.

Â The highly anticipated sequel to the #1 New York Times bestselling book!

Greg Heffley is back, and with him the trappings that made his first outing, *Diary of a Wimpy Kid* (2007), such a popular triumph. Once again diarist Greg chronicles a hilarious litany of problems, alternating between home and school, focusing this time on the particular punishments of his reprobate older brother, Rodrick. Whether Greg is suffering on the swim team or trying out for the K-12 school talent show as Magician's Assistant to a First Grader, his escapades are united by his struggle to avoid embarrassment. As before, he peppers his

journal entries with his own cartoons (in look and tone, a sort of hybrid of The Simpsons and the Timberties), using them as any 12-year-old would – to add insult to injury. But the real and deeper appeal of Greg’s story is the unapologetic honesty of his adolescence; he comes across as a real kid, and his story is one that will appeal to all those real kids who feel just like him. Grades 5-8. --Thom Barthelmess

So I really like this book because it is funny and I would recommend this book to any one who likes a good book

My grandson is having trouble with his reading, but he LOVES "Diary of a Whimpy Kid" and has gone on and on how he reads them at school, but then has to leave them there. I saw the boxed set and immediately knew what he needed. Now he reads every day and night and is helping himself without even realizing because all he’s doing is having fun. A grandmother couldn’t ask for more. I am thrilled with the purchase and my grandson is SO happy. Thank you so much for packaging the books together. My only wish is that the whole series would have been in the set. I will be buying him numbers six and seven soon. Thank you again.

This book seemed too young for me but my little nephews loved it. I heard it was funny and wanted to read it.

Excellent!

I’m 9 years old and my friend recommended it to me about a year and a half ago. This book is filled to the BRIM with funny stories and adventures about a total ... WIMP! I recommend this series to anyone 7 and up.

Exelent!!

AWESOME So good Love It was full of humor It was hilarious Five stars If I can I will give it six stars

My son was too excited when he received The Wimpy Kid Do-It-Yourself Book. I honestly think he read every page to me in the car, on the couch, at the dinner table..ect. He even used his nightlight to read and write in this book. I like the ideal and concept of the questions the DIY book ask the reader. The Wimpy Kid Do-It-Yourself book has encourages my son to think about his experiences and write the responses down in the book. As he grow, maybe he can reflect on his younger years and get a real belly chuckle from the memories. Young one is nine and there are questions in the book that may be a little awkward. So some question may need to be cleared up, so as a parent be prepared to come up with some creative answers.
