The Jewish Bible: Tanakh: The Holy Scriptures -- The New JPS Translation According To The Traditional Hebrew Text: Torah * Nevi'im * Kethuvim

Synopsis

Read our customer guide
Regarded throughout the English-speaking world as the standard English translation of the Holy Scriptures, the JPS TANAKH has been acclaimed by scholars, rabbis, lay leaders, Jews, and Christians alike. The JPS TANAKH is an entirely original translation of the Holy Scriptures into contemporary English, based on the Masoretic (the traditional Hebrew) text. It is the culmination of three decades of collaboration by academic scholars and rabbis, representing the three largest branches of organized Judaism in the United States. Not since the third century b.c.e., when 72 elders of the tribes of Israel created the Greek translation of Scriptures known as the Septuagint has such a broad-based committee of Jewish scholars produced a major Bible translation. In executing this monumental task, the translators made use of the entire range of biblical interpretation, ancient and modern, Jewish and non-Jewish. They drew upon the latest findings in linguistics and archaeology, as well as the work of early rabbinic and medieval commentators, grammarians, and philologists. The resulting text is a triumph of literary style and biblical scholarship, unsurpassed in accuracy and clarity. Ebook versions of this title may be purchased from most ebook vendors.

excellent bible easy to read

As a student of the Holy Scriptures, I am interested in reading different translations from different faiths. Tanakh is the Jewish Holy Scriptures. When I read the Tanakh and the Christian Bible side-by-side I find that the Christian Old Testament is almost exactly the same as the Tanakh. By reading the Tanakh I am able to return to the roots of the Christian faith.

Love it. A few typos but not important. I really like the new translation. Recommend. Nice thick pages you can write on.

What can you say about this. It is a holy book. The cover is good and the print readable.

Like having this version to compare to our English version.

Beautiful Tanakh, I treasure it.

I am truly glad for this book. Being a religious book and when compares to the Bible, just strengthens my beliefs in God tremendously. I am am happy buyer of this book. Thank you very much to the seller and for the opportunity to purchase this merchandise otherwise will have been a difficult find or priced hefty.

A gift for my sibling. Advised me that it was received and, as was found to be in the hands of a group of Jewish history and Judaism students who discovered the Tanakh to be a necessary book to determine the breadth, a huge scope of the depth of their education and experience. The delivery was lightening quick. A+++SELLER! BUY from this seller. It's been an extraordinary book, EXACTLY as described, HANDLED with care FOR THE CUSTOMER to RECEIVE the book AS DESCRIBED. Thank you from the bottom of my heart. You are truly amazing.
