It's an OK calendar, nice small size, I just use it to mark when my dog needs his heartworm pills. Not all the photos are as good as the one on the cover, and some just look kind of like bad snapshots (July, I'm talking about you). They all just feature animals of two different species together.

Got this for work and it is the perfect size for hanging on the wall. I have enough space to write appointments and even though it's small, I can clearly see it from my desk.

Exactly what we were looking for in a family calendar. This is a great size for our kitchen bulletin board and the whole family looks forward to seeing the new "friends" every month!

Adorable photos... my grandson loves it!

Cute but small.

Super cute!

Gave as gift she loved it! Cancer patient! Love her!

Adorable! I love having this at my desk, i look forward to each month!
