Jamal Joseph is a writer, director, producer, poet, activist, and educator. While incarcerated for his active participation in the Black Panther Party, Joseph earned two college degrees, and wrote five plays and two volumes of poetry. He is currently an associate professor at Columbia University's Graduate Film Division and the artistic director of the New Heritage Theater in Harlem.

The book itself is incredible. I absolutely adored the stories in it, the poems & i loved the inserts & enclosures. They made the book so special, the one flaw was that my purchase was a used item cause they don't produce this book anymore. It was missing one insert, i shouldn't be complaining about that but still. it would've been great to have all of the inserts. Just missing one. But all in all, this book is nothing less than incredible. The enclosures make it feel like you're holding original copies of Pac's work. Amazing. Rest In Peace to The Greatest Of All Time. Tupac Amaru Shakur. Very happy with this purchase

Its so awesome ! One of the best books I've ever purchased .. So amazing , reading it .. Looking thru those images , hand written notes and pictures representing each word and described Pacs life

to the fullest !!

Amazing book, probably one of the best I have seen! The condition surpassed expectations based on the description. If you don't have this book. Get it!

My son was doing a project for black history month. This book is excellent with copies of pictures and songs on napkins etc. It really is a great book. I learned so much from this book and was more appreciative of what Tupac meant to our society.

I have alot of 2Pac Shakur books and I'm also a very huge fan but this book speak volumes! They did an awesome job putting this book together, it was surreal.

A must have for any Tupac fan! This book is incredible and really goes in depth to the life of a Legend

Bought it as a gift and the receiver was very happy, good item and great price

I saw this book at a friends house and knew it would be a perfect gift for my son who was a big Tupac fan. He loved it.
